

Bench Joiner – Letchworth Garden City

About Chilfen Joinery

Chilfen Joinery, a division of Chilfen Group, comprises leading U.K companies Chilfen Joinery Ltd. and Chilfen Contracting Ltd., to offer technologically-advanced joinery solutions, tailored to suit each customer's individual project needs.

Specialising in both supply only and supply & fit services, the Chilfen Joinery division, with its 55+ years of British industry expertise, has the skillset and capabilities to manage any size and type of joinery request to suit exact requirements, including refurbishments and new builds, repeat runs and seasonal projects.

Overview

Chilfen Joinery are recruiting for an experienced Bench Joiner looking to further their career as part of a hardworking team. You'll play a key role within the company, working from our 33,000 sq. ft. modern facility to produce high quality, bespoke joinery solutions.

This is a demanding role producing high-quality projects for various sectors including commercial, residential, office, education and retail.

Qualifications & Minimum Requirements

Successful candidates must have at least 5 years' experience and a good understanding of joinery materials.
